*Designed by Meneghello Paoelli Associati*

Viviamo in un mondo fantastico, in un mondo complesso caratterizzato da forti contrasti e contraddizioni. Guardiamo avanti ma siamo legati al passato. Sposiamo l'innovazione tecnologica ma siamo fedeli ad odori e sapori del passato. Melting pot e vintage sono le parole chiavi che al meglio si addicono alla collezione Atelier...Appunto un atelier, un laboratorio dove presente e passato si incontrano per creare una collezione minimal-retró, caratterizzata dalla linearità delle sue forme e dalla presenza del bordo fino che si contrappongono alla iconicità e alla rotonditá del suo profilo.

We live in a fantastic, many-sided world characterized by sharp contrasts and contradictions. We look at the future with a foot in the past.

We like to be technologically advanced but faithful to history.

"Melting pot" and "vintage" are the keywords for the Atelier collection, a collection where past and present perfectly blend and create Minimal-Retró lines. Linearity and thin rims in contrast with iconicity and rotundities of this creation.
