

FLAIR

Designed by Meneghello Paoelli Associati

La struttura in metallo Flair si caratterizza per il segno decorativo essenziale ed i trend grafici contemporanei. Progettata con una funzionale barra porta salviette, integra perfettamente il sistema lavabi Cartesio fornendo una base di appoggio coordinata che riprende il motivo compositivo e la texture ceramica. Intersezioni di geometrie basilari danno vita a quattro composizioni d'arredamento alla moda, fresche e funzionali, presentate e combinate in forme diverse. Memphis e minimalismo sono i riferimenti, con colori vivaci e sfacciatamente anni'80, a dialogare con pieni e vuoti minimal di inizio secolo. Una piccola esplosione Pop prestata al mondo bagno.

Flair metal structure is characterized by an essential decorative touch and a contemporary graphic trend. Designed with a functional towel rail, it perfectly completes the Cartesio washbasin system with a top that match the design motif and ceramic texture. Simple geometrical intersections give life to four fashionable design compositions, that are both fresh and functional, presented and combined differently with their tops. Memphis and minimalism are at the core of this idea together with bright colours used in the '80 and harmonized with minimal solids and voids of the beginning of the century. A kind of Pop culture explosion in the bathroom area.

FLAIR SYSTEM

Un'unica struttura di appoggio coordinabile ai quattro lavabi della collezione Cartesio; può essere montata a dx o sx a seconda del lavabo installato.

La struttura è disponibile in due finiture, bianco e nero matt, con relativo top in marmo nello stesso tono (marquinia o carrara). Sul piano di marmo non è possibile installare la rubinetteria.

One special dedicated structure that can be matched with the four basins of Cartesio collection; it can be used for a left or right installation depending on the washbasin on top.

The structure comes in two finishes, matt black and matt white, also with the matching marble top (marquinia or carrara). On the marble top a faucet cannot be installed.
