

THE ONE

Designed by Meneghello Paoelli Associati

The One rappresenta un nuovo step evolutivo nel comparto della ceramica sanitaria. Bordo fino, assenza di brida e sedile senza cerniere rendono i sanitari unici e innovativi. La tecnologia rimless permette di togliere la camera ceramica e di ridurre il bordo al minimo. Segno distintivo di The One è il sedile senza cerniere (patent pending), incassato nel corpo ceramico. La tecnologia Wood-Skin® permette infatti di ricavare la copertura del wc dalla fresatura di un'unica lastra ad alta resistenza e ultrasottile, di soli 10mm. Lo sgancio è rapido, l'igiene totale. Il sedile incassato e continuo fino a parete evidenzia il bordo fino anche da chiuso, per un'estetica minimale e pulita, perfettamente coordinata al bidet. Arricchisce la collezione la consolle a bordo fino, caratterizzata da una linea elegante e morbida, forme minimali e dimensioni contenute.

“The One” represents a new evolutionary step in the ceramic field. Rimless, thin-rim, small in size and an inset seat cover with no hinge system make this collection absolutely revolutionary and unique.
Without the rim, this technology allows the elimination of the ceramic chamber and the reduction of edge resulting in a bigger bowl in same dimensions.
The hallmark of “The One” is its hingeless seat cover (patent pending) which is built into the slim rim. The Wood-Skin® technology allows the creation of the seat cover through the milling of a unique sheet, highly resistant and only 10mm slim.
Easy take off seat, total cleaning. The inset seat cover highlights the thin rim even when closed, respecting the formal symmetry with the bidet.
The collection The.One becomes enriched through the introduction of a new thin-rim Consolle characterized by elegant and soft lines, minimal shapes and contained dimensions.

THE FIRST EDGELESS RANGE

EDGELESS

Prima serie di sanitari a bordo fino con estetica unica ed innovativa depositata (004106912-0001 e 0002) e bacino più grande a parità di dimensioni.

First-ever series of thin rim sanitary-ware with a unique and revolutionary patented aesthetics (004106912-0001 e 0002) and bigger bowl in same dimensions.

dimensione approssimativa bacino standard
rough dimensions of standard bowl

EDGELESS + RIMLESS WC

RIMLESS

La tecnologia rimless, con la conseguente eliminazione della brida, permette di togliere la camera ceramica e ridurre il bordo al minimo, ottenendo un'estetica ancora più minimal.

Without the rim, this technology allows the elimination of the ceramic chamber and the reduction of edge for enhanced minimal and clean aesthetics.

HINGELESS SEAT

HINGELESS

patent pending

La tecnologia Wood-skin® permette di ricavare il sedile dalla fresatura di un'unica lastra composta da due strati di materiale (PMMA e HPL / tranciato legno) inframezzati da un tessuto polimerico tecnico ad alta resistenza (resistenza a trazione ~50N/cm).

The Wood-skin® technology allows the creation of the seat cover through the milling of a unique sheet composed of two external layers (PMMA and HPL / multi-laminar wood veneer) with another highly resistant polymeric layer between them (traction resistance ~50N/cm).
