# DESIGNER RADIATOR AND HEATED TOWEL RAIL

## TECHNICAL INFO

- All radiators come complete with fixing screws.
  - Prices exclude radiator valves and heating elements.
  - After installing any new radiators, when refilling the system, it is recommended that a suitable inhibitor is used.
  - All tappings are ½" BSP.
  - Dimensions are subject to minor deviations.
- We recommend that pipework is not installed until receipt of heated towel rail.
