FASTER KIUB

Una collezione rigorosa che si inserisce in un bagno contemporaneo orientato al design. Linee solide, di straordinaria leggerezza si avvicendano attraverso undici lavabi, dando vita ad ambienti diversi contraddistinti dal rigore, dallo spazio e linee armoniose. L'elemento caratterizzante di Kiub è l'ampia gamma di misure offerte, che possono essere usate singolarmente o in composizioni multiple. Undici soluzioni sapientemente differenziate, pensate per ambienti sempre nuovi, ora giocati sull'importanza di un lavabo ad una o due vasche di grandi dimensioni, ora sulla modularità e la ripetizione dei lavabi quadrati in sequenze geometriche.

A rigorous collection of basins that perfectly blend in a contemporary design-oriented bathroom. Solid and extremely soft lines presented in eleven basins for various bathroom areas characterized by formal rigour, space and balanced lines. The core element of Kiub is the large range of measures that can be used in unique or multiple solutions. Eleven basins wisely differentiated, conceived for various areas, singularly or with one or two big basins playing with modularity or repetition of square basins in geometrical sequences.
