Installation & Cleaning

Product Information

- > Merlyn Bath Screens are not designed to fit on baths with stepped fronts, roll top rims or integral soap dishes.
- > Fitting of screen on baths which have raised head rests or shapes is not recommended.
- > There must be no items causing obstruction with the seal and bath, as any of the above may cause leaks.
- > When choosing your Bath Screen, please ensure that if your bath has bath handles, that they do not interfere with the bath rim area where your screen will be placed.
- > When choosing an in-swing or folding Bath Screen, please ensure your swing area is not interfering with any brassware or internal shower features. Similarly, when choosing an out-swing, please ensure the out-swing area is free from any obstructions.
- > The Merlyn MB7 2 Panel Hinged Bath Screen is handed so please ensure you state whether you require a right or left handed configuration when ordering.
- > It is recommended that the shower head position is situated on the same wall to which the Bath Screen is fixed and in the centre of the shower area.

Cleaning

- > It is important to clean your Merlyn Bath Screen after every use. Wipe down all the glass and metal parts with a soft cloth.
- > Do not allow limescale to build up in hard water areas.
- > Ensure that any residual water on the glass is removed after every use.
- > Clean the glass regularly using soapy water.
- > Do not use abrasive products on any surfaces.
