*Committed to product
design excellence*

Planet basin monobloc

At Adora, we are dedicated to developing unique designs at affordable prices that can be enjoyed by everyone. Combining quality materials with cutting-edge manufacturing techniques, each distinctive design has been thoughtfully created to bring style and, above all, functionality to the bathroom.

AFFORDABLE DESIGNS FOR YOUR LIFESTYLE

With a commitment to creating affordable yet stylish brassware, our range of design-led basin mixers, bath fillers and shower kits exude simplicity without compromising on quality and function. From concept through to production, our unwavering dedication to bathroom design results in beautifully manufactured products that stand the test of time.

We understand our customers' needs and expectations, so have tailored our range to meet these, offering a contemporary solution for every bathroom space, all at accessible prices. Creating simple and uncomplicated design, the Adora brassware collection is perfect for updating bathrooms simply and with maximum effect.

Combining pared-back forms with simple functionality, our range is designed to effortlessly complement any bathroom space.

Serene bath filler

THE COMPLETE BATHROOM LOOK

Looking for a unified look? Our brassware ranges offer matching bath fillers, basin mixers and shower kits, so you can create a bathroom that looks effortlessly coordinated.

(left to right) Cleargreen Virile offset bath, Adora Planet bath shower mixer 4 hole set, Bauhaus Essence 50 mirror, Bauhaus Design 70 white gloss unit, Design 70 cast mineral marble single tap hole basin, Adora Planet basin monobloc, Adora Planet shower diverter with fixed head and hand shower, Adora Planet thermostatic shower valve.

Planet basin monobloc

Featuring elegant chrome finishes and simple silhouettes, each individual design in the Adora range has been specifically created to suit different bathroom styles and customer tastes.

FUNCTIONALITY & QUALITY

Affordable design shouldn't mean you have to compromise on quality. At Adora we are dedicated to creating superior products for budget-conscious living. Combining this with a keen eye for modern design enables us to create brassware that caters to our customer needs.

WHY VISIT YOUR LOCAL BATHROOM SPECIALIST?

Designing, planning and buying a new bathroom should be a truly enjoyable and ultimately rewarding experience. At Adora we believe that by far the best place to buy your bathroom is at an independent bathroom specialist, why?.....

1 EXPERIENCE & EXPERTISE
Specialist bathroom retailers offer a wealth of experience and skill to ensure you receive an impeccable and personal service throughout your bathroom project whatever the size, including help with installation and local tradesman.

2 DESIGN CONSULTATIONS
Specialist bathroom retailers can offer knowledgeable assistance with room layout design and technical considerations - most will do this at in the comfort of your own home. Many can provide full 3D design plans so you can visualize your bathroom before its fitted.

3 TEST DRIVE SHOWROOM DISPLAY PRODUCTS
Browse, touch and test a huge variety of bathroom products in comfortable surroundings, and receive qualified and fully trained advice on each and every aspect of the products - you simply cannot do this online.

4 AFTER SALES CARE
Once you have purchased from a bathroom specialist you can get personal and most importantly local after sales support.

PRICES

This price list supersedes all previous publications with goods being invoiced at prices ruling on date of despatch. Prices are subject to alteration without notice and include VAT.

DELIVERY

Orders in excess of £50.00 nett invoice value will not be subject to carriage charge and will be delivered within two working days from receipt of order. Orders below £50.00 will be subject to a fixed charge of £5.00. Any claims for non-delivery, shortage or damaged goods must be reported in writing to the company within two working days from date of delivery. Such claims will not be accepted for deliveries to a third party delivery address.

RETURNED GOODS

Damaged/missing parts/picking errors 21 days to report, must be in perfect condition and in the original packaging. All will be subject to a 12.5% re stocking charge. Faulty - no time limit but must have proof of purchase Collection will only be made from point of delivery. Damaged goods will not be collected once they have been sent to a third party.

RETENTION OF TITLE

Ownership of goods shall remain in the Company until full payment has been received for all goods comprised in this contract. If any goods are re-sold before payment is made the Company's right of ownership shall be transferred to the proceeds of sale or to the claim for such proceeds.

LIABILITY

All quotations are given and goods sold subject to the conditions that the seller's liability is limited to goods proved to have been defective in material or workmanship when they left the sellers works. No claim will be accepted where goods have not been used for the purpose for which they were intended, not fitted correctly, not maintained to the seller's recommended standards or have been abused or misused.

ERRORS & OMISSIONS

In the interest of continuing design and development and product improvement, Adora reserve the right to change colour, designs and product specifications without prior notice.

CLEANING AND MAINTENANCE

All Adora products should be cleaned using warm soapy water and polished with a clean, soft, dry cloth.

When installing wall mounted products we recommend making provisions for an in-wall access point, particularly when tiling, for maintenance purposes.

5 YEAR GUARANTEE

All Adora products carry a 5 year guarantee, which covers all manufacturing defaults.

This guarantee does not cover damage during fitting or misuse.

The guarantee does not cover cartridges as these are guaranteed for 1 year. Care should be taken in hard water areas to ensure the cartridge is regularly cleaned.

PRODUCT COMPATIBILITY

Whilst the majority of Adora products are compatible, care should be taken on product selection prior to ordering to avoid installation issues.

WATER PRESSURE (RECOMMENDED)

LP	minimum 0.2 bar
HP1	minimum 1 bar
HP2	minimum 2 bar

All products marked LP (Low pressure) are also suitable for HP (High pressure) systems.
