Moduli pensati per le esigenze di un'utenza dai gusti raffinati e decisi. Insieme alla cornice che definisce la struttura del mobile, anche la maniglia in tinta con la finitura dell'anta o del cassetto diventa un dettaglio geometrico che determina una forma esclusiva. Essenzialità nelle misure e nelle funzioni dei punti acqua si associano al calore tipico dell'arredo dato dagli interni del mobile sempre in laminato legno.

Modules are designed to satisfy the needs of users who have determinate and refined tastes. Together to the frame which defines the furniture structure, also the handle in the same finish as the door or the drawer, becomes a geometric detail which states its exclusiveness. Essentiality in size and function in the water points are associated to the warmth of the furnishing given from the interior of the furniture always in laminated wood.
