KEUCO

.molldesign – Reiner Moll

“Modern linear shape, combined with radiance of comfort: This collection enhances the language of shape with its new ROYAL UNIVERSE furniture and washbasins. The rear of the glass is lacquered in the latest colours and gives the bathroom an individual special touch”.

Reiner Moll from Designbüro .molldesign designed the series ROYAL UNIVERSE

ROYAL UNIVERSE IS BECOMING VERSATILE

With its new ROYAL UNIVERSE washbasin and furniture collection, KEUCO is enhancing its coveted mirror cabinet range of the same name, design and size. In this design, the designer, Reiner Moll has continued the attributes of the series. The high quality workmanship of the ceramic washbasins reflects the essence of design: Clear lines, soft corner radii and smoothly rounded edges summarize a consistent overall picture. The design of ROYAL UNIVERSE combines harmoniously with the fittings and accessories of KEUCO's COLLECTION MOLL or PLAN blue and PLAN. In the style of a modern classic, they underscore the design of the ROYAL UNIVERSE series perfectly.

STORAGE SPACE FOR BIG AND SMALL BATHROOMS

The wide range of ROYAL UNIVERSE washbasins, with widths from 500 mm to a twin washbasin of 1300 mm, provides the right solution for every bathroom – from the small guest bathroom to the large family bathroom. The elegantly shaped ceramic washbasin looks both delicate and elegant. With its wide edges, it also offers a lot of storage space – particularly ideal for small bathrooms. Anyone with enough room and the need for additional storage space can complement the vanity unit with a tall, middle or base unit. The flexible system of dividers in the vanity unit offers a good overview and tidiness.

MATT GLIMMERING VARIETY MADE OF GLASS

Glass, not like any other material, is suitable for use in the bathroom. The glass fronts of ROYAL UNIVERSE are made of robust safety glass, hygienic and particularly easy to clean. Glass surfaces, with the rear of the glass matt lacquered in the latest colours, are very much in keeping with the trend of the times and give the bathroom a special touch, radiating peace and comfort. Those who prefer a more brilliant look can choose a variant in high gloss white.
