KITCHEN MONOBLOC SINK MIXERS

THE NEW KITCHEN COLLECTION

From the iconic Francis Pegler brand, this new selection of sophisticated monobloc sink mixer taps with either single lever or twin controls in chrome plate or brushed nickel finishes. While they all provide contemporary chic designs, two of the models have a "professional" pull out spray option for cleaning vegetables and rinsing crockery etc.

These high quality mixer taps are designed for reliability and with low/high water pressure markings with specified flow rates on each design, this range has a tap to suit your individual plumbing system needs.

Supported with a 5 or 10 Year Guarantee (check with our web site for terms and conditions)
